FEEDBACK FROM VISITING TEAMS

What works well?	What could be better?	Other ideas?

Feedback on tour

Team reflection — discuss together after the tour

REFLECTION ON THE RESULT

What do the reactions tell us about our work?

— What stood out to you in the feedback you received?
— What do you recognise? What surprised you?
— What do you want to adjust or improve?

REFLECTION ON THE PROCESS

How did you work together as a team?

— What went well in your collaboration?
— What was challenging? How did you handle it?
— What would you do differently next time?
